

LUMINATE STEWARDS

This is an exciting opportunity to be part of an amazing winter event at the National Botanic Garden of Wales.

WHAT IS LUMINATE?

Luminate is an enchanting, illuminated light trail set to ambient music. Visitors will enjoy a walk of around 1m in length along a lit trail, pausing at dwell points and interactive moments en-route.

Food, drink and mulled wine will be available to purchase at a central hub area at the start/end and there will be fire pits part-way round to toast marshmallows and soak up the atmosphere. A timeless experience to be enjoyed by all, young and old alike.

The event will run nightly and be open to the public from 1st December 2022 - 2nd January 2023. Luminate are looking for stewards to assist throughout that period. The number of shifts per week are flexible, although they are looking for people who can ideally commit to a minimum of 3 per week.

Luminate are looking for hard-working, friendly, self-motivating staff to join them on a temporary basis over the festive period, to help them create an amazing visitor experience at Luminate. The experience of all visitors will be enhanced through friendly and engaging stewards, who are happy to assist throughout their visit, while also ensuring everyone stays safe during their visit.
